

Dear Resident,

As part of the construction of new homes at Matthewsgreen Farm, Bovis Homes is delivering a new country park for the benefit of the new and existing community.

The country park will be adjacent to Monkey Mates off Old Forest Road.

To ensure that new and existing residents in the local community will be able to walk to the country park, minor works and alterations will be made to Emmbrook Vale by Bovis Homes.

The works comprise minor alterations to footpaths and bridges in Emmbrook Vale and new pedestrian crossings on Old Forest Road and Toutley Road.

The works will start on the 9th of May and will continue until mid-June. Any deliveries will take place during school hours.

We sincerely apologise for any disruption caused by these works.
